HAND-PAINTED BACKDROPS

Our Hand-Painted Backdrops are of the highest quality and available in three different styles; Old Master (OM), Master Muslin (MM) and Foldable Twist Flex (TM). Be sure to reference your selection (OM, MM or TM) when ordering. As you will see, we have a wide range of color tones from high to low key that are sure to please your photographic needs. After many years of experience, we have mastered the most delicate of color change in our Hand-Painted backdrops.

COMPUTER PAINTED BACKDROPS

Denny Freedom Cloth® backdrops! After years of research to find a lightweight, wrinkle-resistant fabric similar to muslin, we have found the special material! In addition to this fabulous material, the Computer Painted backdrops are available in a canvas material, TwistFlex™ Portable Backdrops and our Double-Sided Duet Backdrops.

ARE THOSE COLORS FOR REAL?

Yes, as accurate as humanly possible. There are several factors we must take into account when printing images that need to be as accurate as possible. We work closely with the best printer we've found, and do everything we can do to ensure accurate colors. However, please keep in mind the factors we cannot control such as, the storage of your catalog and the lighting by which you're viewing the catalog.

OUR SINCEREST THANKS

We would like to thank the Professional Photographers who contributed to this year's catalog. This publication wouldn't be the same without your help.

Aerial shot of Denny Manufacturing Co., Inc.

Dear Clients and Friends,

It gives me great pleasure to present to you our annual catalog. 45 years ago, Denny Variali founded The Denny Manufacturing Company, on a shoe string budget, a vision, and a lot of enthusiasm! We could not have reached this milestone without our wonderful customers. Today the company remains as the world's largest manufacturer of photographic backdrops, props, and related photographic accessories. Denny Manufacturing continues to operate as a family business and Denny still remains active today as the CEO of the company.

Year after year, we strive to maintain the core values that the business was founded on and we have you to thank for being there along the way. Our journey will keep moving forward as we aim to achieve 100% customer satisfaction. With the ever changing world of technology, we have upgraded much of our equipment to ensure that you receive the very best. Our creative teams are also adding new items that pop up throughout the year. So, please be sure to stay updated by using our website www.dennymfg.com.

Most of you recognize us for our reputation for producing unique and high quality backdrops and props. Many of you may not realize that we also have a division that produces hundreds of photo gift items. Please check it out at www.photonovelty.com. We have developed quite a reputation in this division for our high quality canvas gallery wraps, with a price tag that is unheard of in the industry. In a few short years we have created a large list of satisfied repeat customers. If you would like to give us a try, we will give you a free 16 x 20 with your first order of gallery wraps 16 x 20 or larger. Your satisfaction is guaranteed!

Custom vinyl banners have become an integral part of our business in a very short time period. Again the quality is superior and at a very low price. These are available on our dennymfg.com website.

A few years back we introduced the Denny Backdrop Buyer's Club to the marketplace. We now have a very large community of members that continue to save each time they place an order. Some have saved thousands of dollars in just a single year. You can sign up on our website or you can contact one of our sales associates at 1-800-844-5616. They will be happy to assist you.

Nearly all of our products are proudly produced in the USA with your satisfaction guaranteed! Please browse through the catalog, rest assured your order will be of the highest American quality along with our great old fashioned customer service.

Best Regards,
The Denny Mfg. Co., Inc.

Amy Cassity
Chief Operating Officer

CP7607 - Independence
10x10 Computer Painted Freedom Cloth® Backdrop
Photograph by Shannon Atchley of Atchley Photography
Located in Higdon, AL
Hair and makeup by Kaitlyn Roberts

Being a professional photographer for a little over a decade, I've mainly specialized in high school senior portraits. The image chosen for the cover, which was shot on the Independence backdrop, is one of my favorites. It is an honor to have one of my images be on the cover of a company I respect. Denny Mfg. is the only company that I will order from. The quality is impeccable and the customer service is outstanding. In the past, I had tried out other company's backdrops and was not pleased. When I found Denny Mfg., I was hooked after my first order! I now have tons of Freedom Cloth backdrops that will last a lifetime. They have everything from the traditional classics to the more trendy backdrops and I can always find exactly what I am looking for. If I have an idea, they will make that idea come to life and create a custom backdrop. The staff at Denny Mfg. does an incredible job! – Shannon Atchley

COMPUTER PAINTED MATERIAL OPTIONS

Computer Painted backdrops are available in a variety of formats to suit your needs.

FREEDOM CLOTH® (CPM)

- Wrinkle-free! Fabric
- Extremely vibrant colors like never before!
- Machine washable
- Dryer & steamer safe
- Colorfast
- Most Denny designs are available on FREEDOM CLOTH®.
- Up to 20' wide
- Sizes 5'x6' & larger have a hemmed loop on the top width.
- Smaller sizes do not have a hemmed loop on the top width.

Just change the SKU for any backdrop from "CP" to "CPM"

CANVAS (CP)

- Matte finish
- Easily stored when rolled
- Works great on roller systems
- SuperRoller recommended for 10'x18' & 10'x20' sizes.

The SKU for any backdrop on canvas is "CP"

TWISTFLEX™ (CPT)

- Flexible frame for a quick setup
- Folds into a compact size
- Light-weight & portable
- Most Denny CP backdrop styles are available on TwistFlex backdrops.

Just change the SKU for any backdrop from "CP" to "CPT"

ADD A PRINTED BASEBOARD

Add a realistic **printed baseboard** to any Computer Painted Backdrop sizes 6x8 and larger.

Baseboards are approximately 6" - 8.5" tall and are available in many different finishes. There will be 6" of material below the baseboard (referred to as a "tuck flap"). \$40.00

*Please specify which bracket when ordering.

FREEDOM CLOTH® TRACK SYSTEMS

Our track system keeps your Freedom Cloth® and other fabric backdrops easily accessible and ready to use by storing them along your studio walls. Combine straight track and 90° corner pieces to make the system fit your studio perfectly. Several backdrops can easily be managed on one track. Track system is sold by the foot and is shipped via UPS up to 8' in length. Longer pieces require motor freight shipping. One clip and one hook is included with each foot of track sold.

Freedom Cloth® Track System (all parts sold separately)

ITEM #	DESCRIPTION	PRICE
MTX-1	Straight Track - 1' piece	\$8.35
MTX-2	Straight Track - 2' piece	\$16.70
MTX-3	Straight Track - 3' piece	\$25.05
MTX-4	Straight Track - 4' piece	\$33.40
MTX-5	Straight Track - 5' piece	\$41.75
MTX-6	Straight Track - 6' piece	\$50.10
MTX-7	Straight Track - 7' piece	\$58.45
MTX-8	Straight Track - 8' piece	\$66.80
MTX-9	Straight Track - 9' piece	\$75.15
MTX-10	Straight Track - 10' piece	\$83.50
MTX-90	Corner Track (90°)	\$30.00
MCH-15	Freedom Cloth® Carrier Hook* (15 pk)	\$18.25
MC-15	Freedom Cloth® Clip* (15 pk)	\$18.25

- Inform salesperson which bracket (ceiling or wall) is needed.
- All MTX-90 (90° corners) are 36" long.
- Each MTX-90 (90° corner) accounts for 1.5' of space each direction. To estimate track along one side using two MTX-90 (90° corners), you must subtract a total of 3' from the total wall space. Therefore, if only one MTX-90 is used, subtract 1.5' from the total space available. Example: If 8' is the available space on one side and only one MTX-90 is used, you would need one 6.5' Freedom Cloth® Track Section.
- A 10' wide Freedom Cloth® backdrop takes up 1' - 1.5' of storage space on the system.
- To hang your Freedom Cloth® backdrop, most prefer to use one MCH-15/MC-15 per foot of the backdrop.
