Imagine More

Studio Design

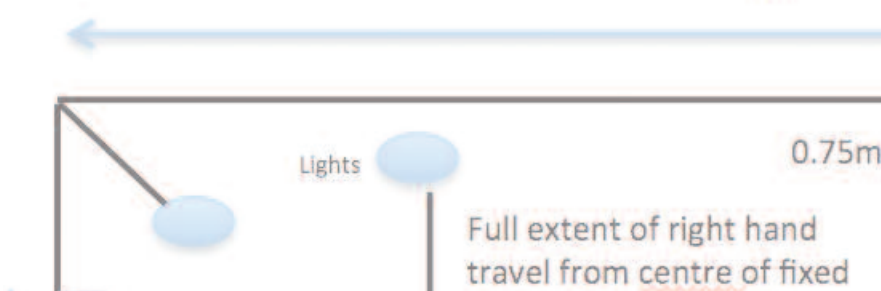

With over 20 years experience, we feel we have the necessary knowledge to assist with creating your own studio. The space may be a spare room in the house, an outbuilding, it may be an industrial unit requiring conversion or a school / college renovating an existing room.

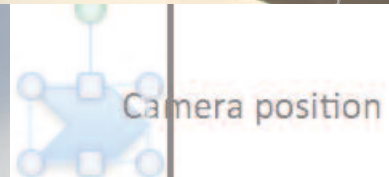

We can work from sketches and plans with dimensions, ideally with simple images of your planned space, however should the build require a site visit we can accommodate this also.

From individual components to a complete 'turn-key' package, contact us now to start the ball rolling and turn a dream into reality.

Lighting

LuxS are authorised dealers for Broncolor, Elinchrom, & Manfrotto lights & accessories.

Broncolor

Siros advanced units offer short flash durations, fast recycling and unrivalled constant colour temperature thanks to the ECTC technology originally developed for the Scoro power packs.

Features include 400w / 800w options, 9 stop power range, high-speed mode and compatibility with the RFS2.2 system for remote control. The new L range are powered by Li-ion batteries, offering complete portability and up to 440 full power flashes!

Elinchrom

D-Lite RX range offer excellent value for money monobloc lights with excellent flash duration, quick recycle times and compatibility with a huge range of modifiers and accessories. BRX & ELC range offer greater performance & features for the larger studios including fan assist & strobe effect. 100w – 1000w power options available.

LED Lighting

Of particular advantage to the videographer, LED lighting technology has been introduced into the Westcott Icelight 2 and Manfrotto Lykos range amongst others. Rotolight is a British company and we're proud to be a recognised distributor for their innovative LED lights. Still in its infancy, this sector is expanding all the time.

Lighting

LuxS Ceiling Track

Features:

- Available as a complete turn key kit or custom to suit
- Full kit covers an area 3m x 5m but fully extendable / adaptable
- Low profile rails with steel bearing runners make for a very smooth system
- Pantograph drop 2.4m (further extension available via LuxS brackets)

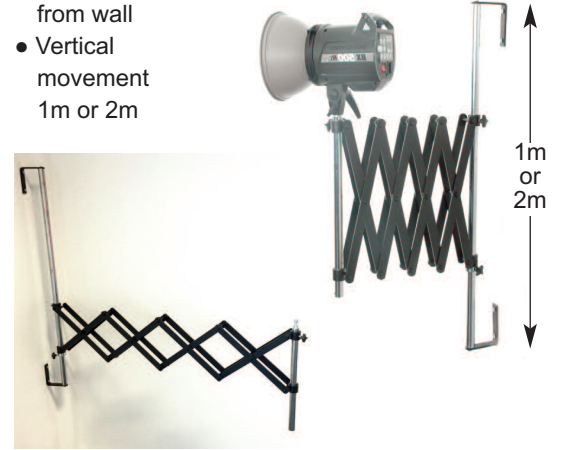

LuxS Wall Scissor Boom

1m or 2m

Features:

- Ideal in narrow studios where space is a premium
- Folds very tightly against a wall
- Rotates 180deg around fixing point
- Extends 1.4m from wall
- Vertical movement 1m or 2m

Manfrotto / Avenger Stands

The superior sure footedness of Century Stands for both studio and on location work., combined with LuxS own Weight bags, provide the highest level of stability. The weight bags come pre-filled in weights of 3, 5 & 10Kg capacity.

Pre-filled LuxS Weight Bags

3kg, 5kg or 10kg

Denny EZ Stand

Unique Denny portable stand with instant folding leg design. The EZ Stand is great for those who have to move lights often and quickly such as wedding photographers. The legs of the EZ Stand collapse automatically when lifted and reopen when set back down to provide a sturdy portable light set up.

LuxS Ceiling Flash Bracket

- Ideal frame for allowing the flash head to be positioned the correct way up
- Double light spigot allows 2 heads to be used on one pantograph

Manfrotto Telescopic Wall Boom

Features:

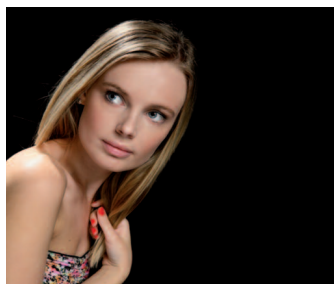

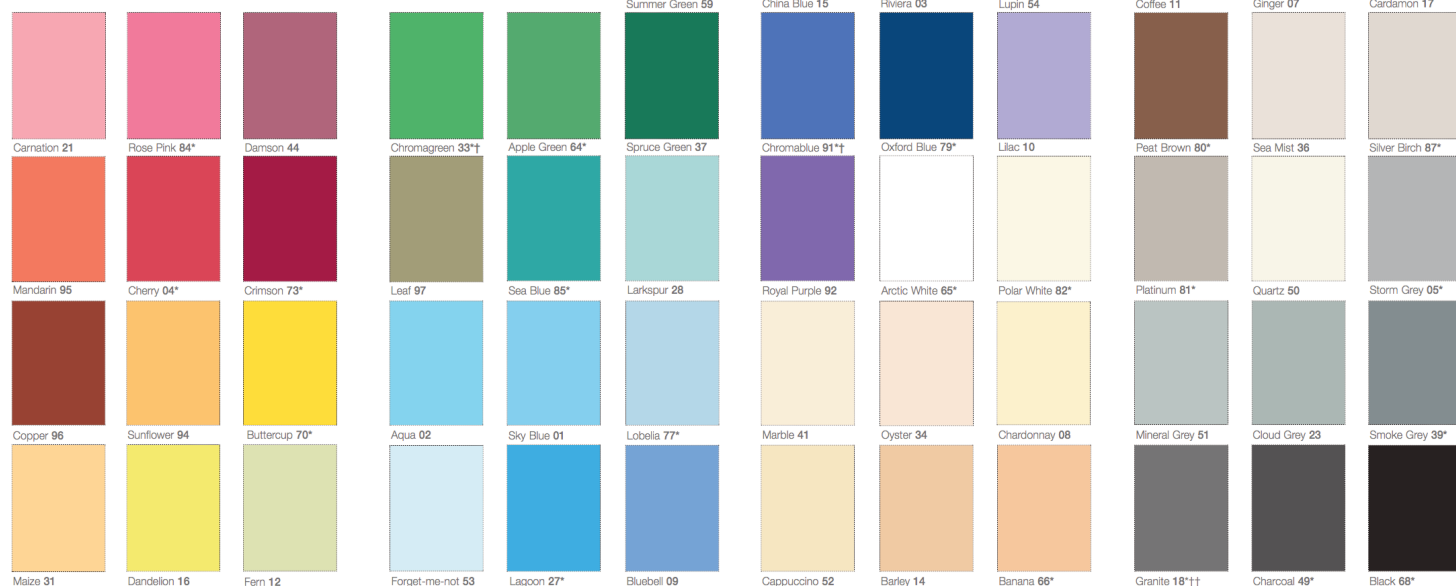

- Rotates 180deg horizontally and 150deg vertically from pivot point
- Extends from 1.2m – 2.1m from wall or Extends from 0.78m – 1.2m from wall (short model)

Backgrounds

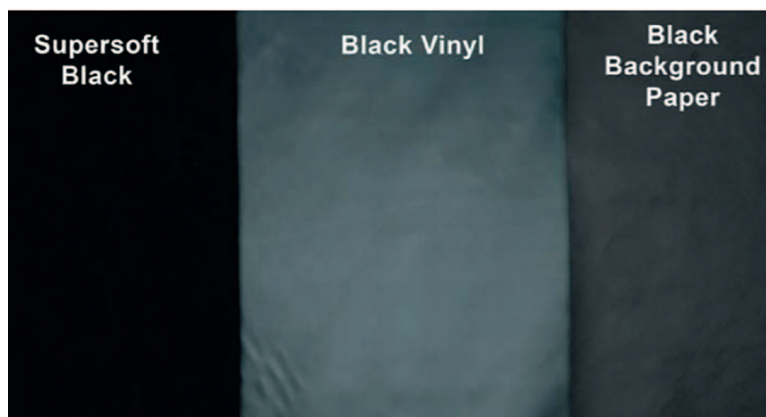

Colorama

Colorama Seamless background paper comes in 4 standard widths, 1.35m, 2.18m, 2.72m & 3.55m plus unique to LuxS our Custom width cutting service

LuxS Supersoft Black Curtain

The perfect light absorber for those low key shots. Available in custom sizes and with a hem for crosspoles to slide through. Can also be fitted with brass eyelets or mounted to wooden cross bar.

LuxS White / Blue / Chroma Vinyl

Our white vinyl has been on the market for over 20 years, is still considered the best and most durable out there! Also available in blue for swimming pool shots.

Can be custom cut to any size as well as supplied on an assortment of mountings; on a cardboard spool, alloy pole with spigot holes, on our own Standard chain System pole or fitted with brass eyelets to allow mounting to a frame.

Lastolite Collapsible Backgrounds

Lastolite by Manfrotto offers an extensive range of backgrounds that support photographers in producing the correct setting for their photography. From collapsible backgrounds to the renowned, illuminated HiLite background our range is sure to have a solution for your studio or location photography.

Hand Painted are available on Canvas, TwistFlex Collapsible & Master Muslin

Denny Floors

Posing Aids for Studio & Mobile

A comfortable subject makes for good work, and makes it easier for you to capture those moments of inspiration.

'INDOOR' 4 Piece Posing kit Cat no 209:

White covers 209b Primary Colour Covers 209g

Designed principally for use in the studio, the INDOOR kit comprises 4 black upholstered square profile blocks which can also be used on their sides to make chaise longues and benches. The square profile means that they stack tidily in a corner or a cupboard when not in use, and being very light, they are easy to move around.

Slip over **white covers** and **Primary colour covers** are available separately, and also as a set of 4 covers.

Block Heights: 68cm, 45cm, 23cm, 9cm (27, 18, 9, 3 in)
Profile size: 30cm (12in) square.

Kit weight: 7kg

'Outdoor. 4 or 8 Piece Posing kit Cat No 204 / 204b

The OUTDOOR kit comprises 4 square profile blocks as a single kit in an envelope bag, or a large Double kit comprising 8 blocks also supplied in a carrying bag,

The blocks are covered with PVC making them wipeable, and thus suitable for Outdoor and Wedding work. The carrying bag can be used as a groundsheet for subject or photographer.

Slip over **White and Coloured covers** are available for these kits.

Block Heights: 45cm, 30cm, 15cm, 9cm (18, 12, 6, 3 in)

Profile size: 30cm (12in) square.

Kit weights: Single kit: 4.5kg Double kit: 8.5kg

LuxS Posing Table

Cat no S210

LuxS Adjustable Height Studio Posing Table

British manufactured adjustable height Posing Table.

Set on castors enabling the table to be easily moved around the studio but with the benefit of brakes to hold it in position. Gas strut raises / lowers table.

Table has sturdy wooden top with sculpted rear to allow sitter to appear more comfortable within the shot. Padded top for comfort.

Height Range: 60cm - 82cm

Table dimensions: 76cm x 50cm

Weight: 10Kg

Posing Stool

A comfortably padded leatherette posing stool with variable height gas strut via under seat lever.

3 Height ranges available:

Regular: 48-62cm

High: 50-71cm

Super High: 61-84cm

Portabench Cat no 223

Another product with the mobile operator in mind, the Portabench has become very popular with School & Event Photographers. A simple padded seat with folding legs. Ideal for two little botties, or one large!

4 heights: from 49-61cm.

Seat size: 60x32cm

Newborn, Babies & Children

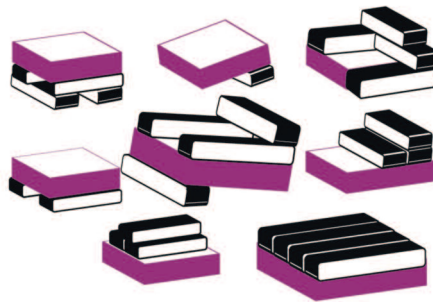

MAXI-MUM - The versatile posing system for babies and the young

Cat no 206

The MAXI-MUM is a modular posing system which can be altered to a photographer's requirements as the age of the subject varies. It comprises a square base, and four 'arms' that lock to the base or each other with hook and loop, making numerous conformations possible.

When not in use &/or for transport, the system flat packs into the supplied drawstring bag.

For working with newborns, use the **Maxi-Mum** base as a firm but comfortable base to pose your subject. At the next stage, add the **Baby Beanbag (below)** a sculptured bean bag to give comfort safety and security to your subject.

Baby Beanbag

Cat no 201

A sculptured bean bag which can either be used in conjunction with **MAXI-MUM** or on its own. The lower section is a 'donut' shape, and the upper section is a thick roll allowing plenty of head support for the very young. Manufactured from a waterproof fabric.

Newborn Posing Bean Bag

Cat no 224

Available Ready Filled, or 'Flatpack' for self filling. Manufactured from a waterproof fabric, the Newborn Bean Bag's dimensions are designed so that it can be filled from one 250l (10cuft) bag of beans, with a little left over to top up after settlement. Measuring 92cm diameter x 32cm deep (36 x 13in) this is the ideal size to pose the tiniest subject in safety and comfort, but still allowing space to open the shot.

Playblox

Cat no 534

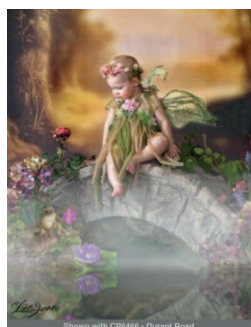

More Studio Fun! A set of 6 brightly coloured firm foam bricks in a range of shapes. Firm enough to stand on, but not hard enough to hurt.

Sweeties

Cat no 521

A set of 5 attractive blocks with 2 cylinders, 2 square and a tube. Heights are designed to allow Sweeties to be used for posing or play - Make the studio fun!

Block heights:
38, 30, 23, 15cm

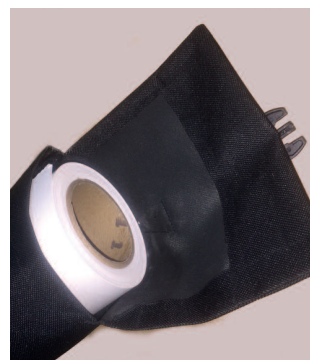

Newborn, Babies & Children

Cases & bags

LuxS Custom bag design and build service.

Seahorse cases

Seahorse Protective Equipment Cases are watertight, airtight, dustproof, crush resistant and designed to keep your valuable equipment safe from all the elements. Seahorse Cases incorporate the latest design and features in the hard case industry. Our cases are the result of 30 years of engineering and manufacturing experience.

Manfrotto bags

The Manfrotto Bag category is more than a wide range of products: it's a real system of photo carrying solutions designed to meet your style as well as photographic needs. The Lino Bag Collection is a select range of Italian-styled, luxury professional items while the Stile Collection shares the Italian-styling but is designed for social recorders who look to carry their camera equipment alongside all their daily personal gear as well.

Both collections have been designed with integrated tripod carrying features, thus tying in Manfrotto's new bag range with Manfrotto's Support Heritage.

Posing Cubes & Blocks

White Box Photography posing cube

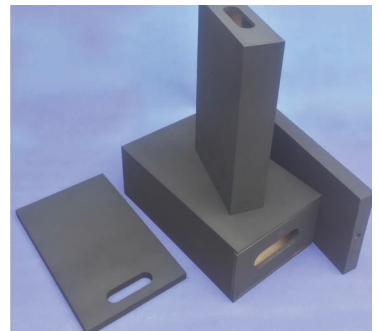

Huge 1200mm (1.2 metre) square framed box, 700mm deep on a 700mm high plinth allowing massive potential for stitched photo cube photography. Made from 30mm Beech Ply so incredibly strong and sturdy.

LuxS own Full Apple box Set

Made in Birch 9-Ply

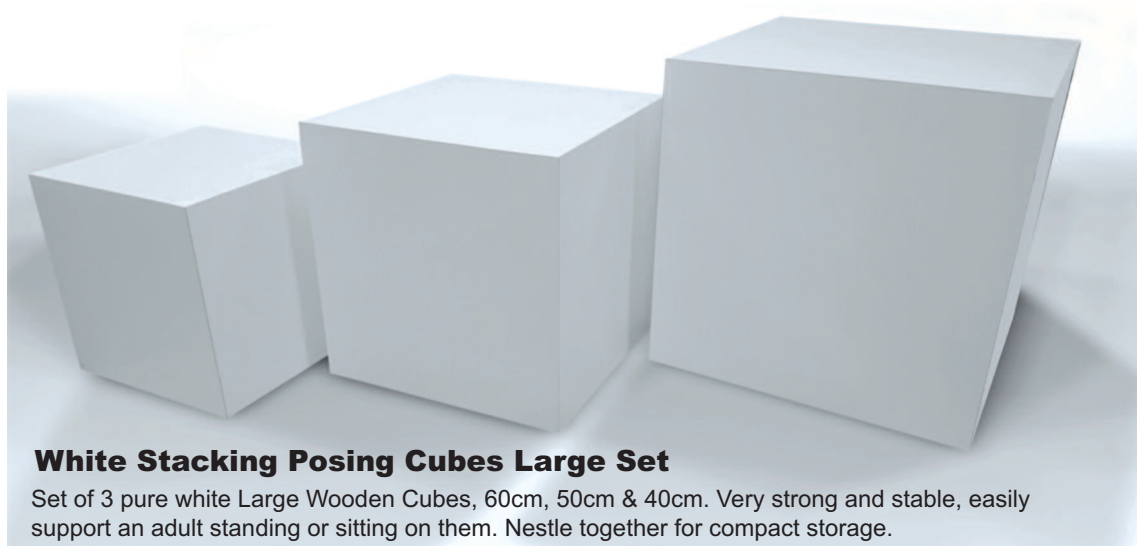

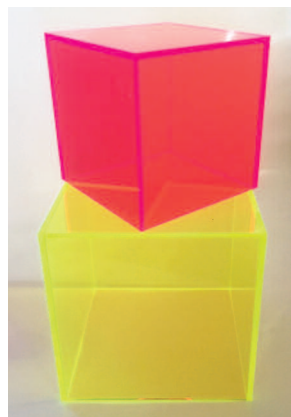

Provides a variety of support heights to level stand legs, adjust apparent talent heights or mount lights / props for low angle shooting.

Available in natural, black or white washed.

Acrylic Cubes

Bright neon colours and custom sizes.

White Stacking Posing Cubes Large Set

Set of 3 pure white Large Wooden Cubes, 60cm, 50cm & 40cm. Very strong and stable, easily support an adult standing or sitting on them. Nestle together for compact storage.
